CARNIVAL OF THE ANIMALS

by **Saint-Saens**

The exciting programme will also include
Danse Macabre, The Flight of the Bumble Bee
and The Can-Can.

These well loved classics will be performed by some of the
UK's best young professional musicians and brought to life
by unique digital animation.

Kidenza concerts are suitable for all family.
They are fun, interactive, educational
and never, ever stuffy!

"I love that it is so
interactive to keep the kids'
attention, and so informal
they feel free to enjoy
themselves and not
get bored."

"I think the concert
was absolutely incredible!
I have been telling all my
friends about it."

"We loved the
relaxed atmosphere and
the fact it is OK for the
children to dance and
go with the music.
Please keep
it coming!"
